

INTENT
MIND BODY CORRECTION

Workshop Application

Dawson Program Module 1

Location: Melbourne Vic

Date: 1st - 3rd March 2024

Cost: \$1200.00

Practitioner: Tracey Rosser - assisted by Effie Iliopoulos and Vivien Sacco

The **Dawson Program** Training Courses is designed to help assist you/your family in understanding how stress affects ones physical body through the Energy System. This is known as the Chakras, Meridians and Auric Fields.

We aim to teach you, about your own Energetic frame work and how to assist in rebalancing through Vibration Kinesiology with sound.

Module 1 Training in the Dawson Program

- Knowledge on the 3 main energy systems
- How our emotions have an effect on this structure
- How this stress can affect the organs & the physical structure
- Cranial Plates
- How and What is Applied Kinesiology
- How to muscle test
- Identify allergies
- Where the origin started from
- We look at time, emotion and geographic

Our goal is for you to have a balance and to help assist your family, show you the tools and knowledge you need to keep your self and your family in balance.

Qualifications to register are Nil open to anyone with or without any prior knowledge in energy work.

There are 2 module in all which will be set approx. 6months apart.
